

# Community safety comes first

## Your voice matters

Please join us at a Wildfire Ready Event.

Oregon summers bring hotter, drier conditions, leading to longer fire seasons. That’s why PGE works year-round to reduce wildfire risks and keep our communities safe.

Join us for a Wildfire Ready Event to learn about our wildfire prevention efforts, connect with local partners and discover steps we can all take to stay prepared. Plus, dinner is on us!

### Talk with PGE experts and local partners about:

- How to prepare for emergencies
- Investments we’re making to protect the community
- What to expect during a Public Safety Power Shutoff (PSPS)
- And more!

Questions? Email us at [wildfire@portlandgeneral.com](mailto:wildfire@portlandgeneral.com) or visit [PortlandGeneral.com/WildfireReady](https://PortlandGeneral.com/WildfireReady) to learn more about our Wildfire Ready Events.
